Name: Rogelio Rodriguez Jr

Please state clearly the nature of your grievance.

on januar 9 I signed up for group church as I get called to attend I walk in the class room I noticed an inmate Mr Willie Ayers a CI in my case waiting to testify against me on a Delivery case Criminal Case NO. 5709. There is a no contact order from Judge Bruce Waters to have no contact with any bud in this particular case. I confronted Mr Ayers he stated He has never met me. According to PCDC inmate rules and regulations rule book pg 27 Bible Study AA and other provided programs: Group programs are provided for your well being. if you are interested in attending one, notify the tower deputy via a miscellaneous request from by 9:00 p.m the day of that program. I did that. You may not be able to attend certain programs if there are no-contact orders between you and another inmate. Mr Ayers is testifying against me in a case there is a no contact order.

Response

You have attended group in the past with Inmate Ayers without any incidents. You have never informed us that you and Ayers were not to have any contact with each other and we do not have any court paper work or written statements from a judge stating that you were not to be around him. You chose to go to group and not inform us that the two of you were not to have any contact.

Do you wish to appeal? yes (yes or no)

If yes, why do you wish to appeal? Please answer on reverse side.

im not justifying or admiring my actions. I feel I was set up for failior 'entrapment' having been allowed to be in the same room with a keep away its not fair Me and Mr Ayers have to sufer the consequence for lack of attention and professionalism from staff this could all have been avoided if the no contacts or keep aways would have been care fully reviewed.

thanks for your

time

yes correct I chose to go. I have no way of knowing who is gona be there. I dont think its my Job to sort nocontact orders out. I dont think I have ever been to a group with Mr Ayers. and If I did I never noticed Him. and again if thats the case that is twice the no contact order was broken if I am wrong of my claim I asept the consequences If im right an apalagie is in order and want relief. thanks for your time

MR RODRIGUEZ,

WITHOUT PRIOR KNOWLEDGE OF A NO CONTACT, HOW WERE WE SUPPOSE TO KNOW YOU TWO WERE NOT TO BE TOGETHER? YOU ARE THE ONE THAT CHOSE TO ASSAULT AYERS, THEREFORE YOU ARE RESPONSIBLE FOR IT, NOT US. YOU HAD THE OPPORTUNITY TO LEAVE AND CHOSE NOT TO.
